

VIDEO EDITING USING SMARTPHONES OR TABLETS

Who is this course for?

This one day course will allow you to explore simple video editing apps available on your mobile device.

What will I learn?

Do you want to create simple videos using your smartphone or tablet. Learn how to capture videos and have fun using basic editing tools available on your device.

How will I learn?

Your progress and achievements will be recognised and recorded throughout your course in several ways. For example: practical tasks, written and verbal feedback from your tutor, practising and completing exercises and/or a learner diary.

What will I need to bring?

Pen, notepad and reading glasses if you wear them.

What skills or experience do I need?

No prior knowledge required although you may want to bring along a fully charged smart phone.

How will I be assessed?

Non-accredited

How will I be supported in my learning?

Once you start, if you have further queries and/or support needs, please talk to the tutor. We also offer support to help people with learning difficulties and/or disabilities. If you have a disability, learning difficulty, health problem or mental health difficulty that may affect your learning or participation, please contact us for further advice.
