

## **ART: BOTANICAL DRAWING AND PAINTING**

### **01. Who is this course for?**

This course will cover the observation of various plants, flowers and natural subjects. The course starts with learning to draw in detail, paying particular attention to creating form and perspective and then explores drawing in pen, coloured pencils and water colour paints. There will be several projects set which will help learners work towards producing professional, traditional Botanical Illustrations. Advice and guidance will be given to learners of all abilities and experience.

### **02. What will I learn?**

Exploring the basic and more advanced techniques of observing, drawing and painting plants and flowers

### **03. How will I learn?**

Written & photographic records · There will be continual one to one assessment and guidance · Group discussions and displays are part of the course procedure · The completion of Individual Learning Plans will evidence progress

### **04. What will I need to bring?**

Basic pencils, eraser, pencil sharpener and sketch paper.

### **05. What skills or experience do I need?**

No experience is necessary just an interest in the subject. The course is designed for beginners and intermediates

### **08. How will I be supported in my learning?**

Once you start, if you have further queries and/or support needs, please talk to the tutor. We also offer support to help people with learning difficulties and/or disabilities. If you have a disability, learning difficulty, health problem or mental health difficulty that may affect your learning or participation, please contact us for further advice.
