01. Who is this course for?

In the Developing Reading and Writing Skills course, you will work with your tutor to develop an Individual Learning Plan based on your interests and needs. The course will help you to develop your confidence and skills in reading, writing, and spelling enabling you to complete everyday tasks such as reading instructions, filling in forms and writing notes/emails.

03. How will I learn?

Your tutor will have regular conversations with you to review your progress and this will be recorded in your Individual Learning Plan. You will also be able to recognise the growth in your skills and confidence as you become more able to complete everyday tasks. When completing homework tasks, these will be assessed by your tutor, to support areas of strength and development.
