

POTTERY: WELLBEING SATURDAYS - SUMMER POTTERY - MIXED LEVEL

01. Who is this course for?

The course is designed to give you a flavour of what pottery is about and learn some basic ceramic techniques such as pinch, slab and coil pots. The day will include demonstrations to support learning but you may then use the techniques taught to experiment and enjoy going where the clay takes you. It is an ideal opportunity to see if you would then like to attend a longer 10 week course with the same tutor.

02. What will I learn?

This course is aimed at all learners with a desire to know more about clay and pottery. We will look at the first ceramic techniques of pinch pottery, coiling and slab building. There will be lots of time, templates and information to develop personal ideas. Your work will then be fired, ready for collection 2 weeks later. The course is held in a purpose built, fully equipped Pottery studio and is taught by an experienced tutor and practising ceramicist.

03. How will I learn?

Completion of a set of learning outcomes. Informal discussions with the tutor individually and in groups. ·
Photographic evidence

04. What will I need to bring?

An old shirt or apron. Don't wear your best clothes.

05. What skills or experience do I need?

No formal qualifications or specific skills/aptitudes are required. No prior knowledge of the subject required

08. How will I be supported in my learning?

Once you start, if you have further queries and/or support needs, please talk to the tutor. We also offer support to help people with learning difficulties and/or disabilities. If you have a disability, learning difficulty, health problem or mental health difficulty that may affect your learning or participation, please contact us for further advice.
