

ART: WELLBEING SATURDAYS - DRAWING WITH A GRID

01. Who is this course for?

We will be producing a landscape with buildings. This course shows you an easy-to-understand way to draw by drawing in stages. To draw this you will be shown how to reproduce this image by using a grid, the tutor will demonstrate some techniques on how to do this. Whilst you work on this project the tutor will also offer 1-1 help and advice. Handouts will be given and extra to take away to practice technique further. This course is designed to be welcoming and friendly, to be able to enjoy learning in a safe environment.

02. What will I learn?

This course is about learning to use a grid to reproduce a drawing of buildings.

03. How will I learn?

Verbal feedback from the tutor during the session and the chance to talk with other learners and share work.
Result of image. Completion of an Individual Learning Plan

04. What will I need to bring?

For this course you will need drawing paper, pencils, rubber, ruler and a sharpener.

05. What skills or experience do I need?

None needed, suitable for beginners and for people who have some experience.

08. How will I be supported in my learning?

Once you start, if you have further queries and/or support needs, please talk to the tutor. We also offer support to help people with learning difficulties and/or disabilities. If you have a disability, learning difficulty, health problem or mental health difficulty that may affect your learning or participation, please contact us for further advice.
