

FEML EYFS STARTING SCHOOL

01. Who is this course for?

You will learn about EYFS, Phonics, Maths and social and emotional skills to support your children in their learning journey. Also you will learn about the world of early years education and learn how your children are learning through play so you can support them at home. We will teach you valuable skills that will help you and your child settle into the first term at primary school. The Learning Outcomes: Identify ways to help their child to be independent and confident when starting school – dressing, lunch time, routines, self care? Recognise how to support physical development for gross and fine motor skills.? How to support early writing skills – mark making? Recognise the areas of learning in the EYFS and identify ways to support the areas of learning through play at home, specifically promoting literacy (phonics)? and numeracy (early number skills)? Identify importance of being able to recognise and talk about emotions for their children, socialising, making friends, being resilient.

03. How will I learn?

You are assessed in the classroom by the tutor and by your own self – assessment of topics. You will be asked to complete an Individual learning Plan and keep a diary where you can comment upon the topics you have learned; the progress you feel you've made and record any activities you have tried with your child. Your tutor will feedback to you regularly and may suggest some activities or resources that are appropriate for your child's ability. So that you can be successful in completing the course we do require that you try not to miss any sessions – talk to your tutor about individual catch ups. You are expected to attend 90% of the course.

05. What skills or experience do I need?

There are no formal entry requirements for Family Learning. You do not need any previous experience, knowledge or skills to enrol on this course; just an interest in finding out about how children learn and how you can encourage and support them.

08. How will I be supported in my learning?

Once you start, if you have further queries and/or support needs, please talk to the tutor. We also offer support to help people with learning difficulties and/or disabilities. If you have a disability, learning difficulty, health problem or mental health difficulty that may affect your learning or participation, please contact us for further advice.
