

FEML PHONICS ONLINE

01. Who is this course for?

This course is 6 weeks long. There will be a 1.5 hour Microsoft Teams online taught session each week with other learners. You will have access to resources and materials to help you support your children. You will be encouraged to create and share fun activities with your children to help their learning.

02. What will I learn?

This course has been designed to help you to understand how your children are learning to read and write at school and you will: Recognise the importance of Speaking and Listening for developing phonic skills and literacy development. Describe the importance of rhymes and songs for learning Phonics and developing literacy skills. Explain how the Phonics System teaches children to read and write. Define key phonic terms that the children and teachers use. Know and say the phonic sounds correctly. Choose and create resources and activities to share with children at home.

03. How will I learn?

You are assessed in the session by the tutor and by your own self – assessment of topics. You will be asked to complete an Individual learning Plan and keep a diary where you can comment upon the topics you have learned, the progress you feel you've made and record any activities you have tried with your child. Your tutor will feedback to you regularly and may suggest some activities or resources that are appropriate for your child's ability. So that you can be successful in completing the course we do require that you try not to miss any sessions – talk to your tutor about individual video catch ups. You are expected to attend 90% of the course.

05. What skills or experience do I need?

There are no formal entry requirements for Family Learning. You do not need any previous experience, knowledge or skills to enrol on this course; just an interest in finding out about how children learn and how you can encourage and support them.

08. How will I be supported in my learning?

Once you start, if you have further queries and/or support needs, please talk to the tutor. We also offer support to help people with learning difficulties and/or disabilities. If you have a disability, learning difficulty, health problem or mental health difficulty that may affect your learning or participation, please contact us for further advice.
