01. Who is this course for?

This course is ideal for budding garment makers. You will make a classic Asian outfit, the salwar kameez, with either long or short sleeves, in a size that fits you. (Pattern size is UK6-16). You will be encouraged to make use of existing fabric reduce the impact on the environment. This is an ideal opportunity to re-use or repurpose fabrics to reduce waste and develop sustainability

02. What will I learn?

You will learn to cut fabric using a pattern, sew straight, use a sewing machine, create neat seams with the correct seam allowance, finish raw edges on the inside of your garment.

03. How will I learn?

This course combines tutor-led activities with independent learner projects. Learners will be supported through class demonstrations and 1:1 assistance to develop their skills and create their own pieces. Learners will receive regular verbal and written feedback on their progress. Please avoid taking holidays during the course. Missed lessons can affect funding for adult learning courses.

04. What will I need to bring?

Although there is some equipment (but not fabric) to borrow at the sessions, you are advised to bring your sewing kit with scissors, pins, tape measure, tailor's chalk and hand sewing needles. You may bring your own sewing machine if you wish but course machines are available to use in the sessions. You will need approximately 5-6 m of fabric for the whole outfit.

05. What skills or experience do I need?

You must have recent experience of using a sewing machine as you will not be taught how to thread up a machine or how to use it, but your tutor will guide you if you need reminders or support.

06. How will I be assessed?

The Learning for Wellbeing curriculum uses formative and summative assessment methods to evaluate learner progress. You will work towards completing a set of class learning targets, as well as your own personal development targets. Targets are reviewed at the middle and end of the course. Informal discussions with the tutor will take place throughout the course, both individually and in groups. Your progress may also be documented through photographic evidence.
