### 01. Who is this course for?

This 3-hour workshop is aimed at anyone interested in learning how to create beautiful pieces of silk painting. Have a go at something delicate and explore flower patterns or play with colours. Experiment with colour and pattern or draw an image that captures your personality. Learn how to blend colours and patterns to form your own stunning wall hanging that you can frame and display with pride.

### 02. What will I learn?

Starting with a few colours, a good brush and a small piece of lightweight silk fabric, you can learn how to use fabric paints, silk dyes and outliner, to create a beautiful wall hanging. This workshop will show you how to stretch your silk over a frame and how to use Gutta to create your own unique design.

### 03. How will I learn?

This workshop combines tutor-led activities with independent learner activities. Learners will be supported through class discussions and 1:1 assistance to develop their embroidery skills. Learners will receive regular verbal feedback on their progress. Please avoid taking holidays during the course. Missed lessons can affect funding for adult learning courses.

### 04. What will I need to bring?

Your own small sketchbook and pencil, soft brushes, and a palette are handy. An apron and protective gloves. Silk pieces, fabric paints, outliner and brushes are provided.

### 05. What skills or experience do I need?

No prior experience necessary. It's useful to have a love of colour, design and pattern. Some experience of watercolours is also useful as the paints behave in a similar way.

### 06. How will I be assessed?

The Learning for Wellbeing curriculum uses formative and summative assessment methods to evaluate learner progress. You will work towards completing a set of class learning targets, as well as your own personal development targets. Informal discussions with the tutor will take place throughout the course, both individually and in groups. Your progress may also be documented through photographic evidence.

### 07. What could I do after this course?

The Learning for Wellbeing curriculum offers a wide range of art, craft, sewing, cookery, dance and creative arts courses for you to continue developing skills specifically aimed at improving your wellbeing. Courses are available to search on the GoLearn website.

## **08. How will I be supported in my learning?**

We aim to support all learners to succeed. When you enrol on your course you will be asked if you have any learning difficulties and/or disabilities which may affect your learning. This might include physical disabilities, neurodivergent needs (e.g., Autistic Spectrum Disorder, ADHD, dyslexia, or dyspraxia, etc.), visual and auditory impairments, or a medical condition which might affect your learning. Your tutor will contact you prior to joining the course to discuss what support can be put in place. For some learners this may mean organising extra time in exams or arranging for a Learning Support Assistant to support your learning in class. We also offer a wide range of assistive technology such as reader pens, screen readers, large print keyboards and screens, alongside in-class resources such as coloured overlays, large-print resources and more.

## **09. Is help available with course fees?**

Many of our courses are FREE to all learners. For fee-paying courses, if you are in receipt of state benefits or have a low income (£26,211.90 before deductions) you could be entitled to enrol on your course for FREE, or at a 70% Reduced Fee cost. If your course is accredited (working towards a formal qualification) your course may be FREE if you earn under £25,000 before deductions. Some exclusions apply, eligibility for fee reduction is subject to change, and you may be required to provide evidence of earnings. If the amount you must pay for your course is over £50, we offer instalment plans which break down the cost of learning into a set number of easy monthly payments. If you need help with the wider costs of study, such as childcare, resources, travel, and transport costs, you may be eligible to have these costs reimbursed through our Discretionary Learner Support Fund. Visit us online for more details, and to download the online application form.
