08. How will I be supported in my learning?

We aim to support all learners to succeed. Our tutors will work with all learners to meet individual needs by using a range of resources and teaching methods. When you enrol on your course you will be asked if you have any additional learning needs or disabilities which may affect your learning. This might include physical disabilities, neurodivergent needs (e.g., Autistic Spectrum Disorder, ADHD, dyslexia, or dyspraxia, etc.), visual and auditory impairments, or a medical condition which might affect your learning. Your tutor will contact you prior to joining the course to discuss what support can be put in place. For some learners, this may mean organising extra time in exams or arranging for a Learning Support Assistant to support your learning in class. We also offer a wide range of assistive technology such as reader pens, screen readers, large print keyboards and screens, alongside in-class resources such as coloured overlays, large-print resources and more.

09. Is help available with course fees?

Many of our courses are FREE to all learners. For fee-paying courses, if you are in receipt of state benefits or have a low income (£26,211.90 before deductions) you could be entitled to enrol on your course for FREE, or at a 70% Reduced Fee cost. If your course is accredited (working towards a formal qualification) your course may be FREE if you earn under £25,000 before deductions. Some exclusions apply, eligibility for fee reduction is subject to change, and you may be required to provide evidence of earnings. If the amount you must pay for your course is over £50, we offer instalment plans which break down the cost of learning into a set number of easy monthly payments. If you need help with the wider costs of study, such as childcare, resources, travel, and transport costs, you may be eligible to have these costs reimbursed through our Discretionary Learner Support Fund. Visit us online for more details, and to download the online application form.
