

ESOL DRIVING TEST THEORY

01. Who is this course for?

This short course is for learners who want to take their Driving Test and need to improve their English to do so. The topics cover road safety; differences of driving in other countries and the UK; reading road signs; parts of a car.

04. What will I need to bring?

A4 ring binder folder, A4 paper, pens and pencils, mini white board. You will need to know how to use Microsoft Teams, have a Smartphone, laptop or tablet with internet access. If you do not have these, please let us know at enrolment and we will help you.

05. What skills or experience do I need?

None. Your English level will be assessed before you start in an individual meeting, to assign you in the right class for your level.

08. How will I be supported in my learning?

We aim to support all learners to succeed. Our tutors will work with all learners to meet individual needs by using a range of resources and teaching methods. When you enrol on your course you will be asked if you have any additional learning needs or disabilities which may affect your learning. This might include physical disabilities, neurodivergent needs (e.g., Autistic Spectrum Disorder, ADHD, dyslexia, or dyspraxia, etc.), visual and auditory impairments, or a medical condition which might affect your learning. Your tutor will contact you prior to joining the course to discuss what support can be put in place. For some learners, this may mean organising extra time in exams or arranging for a Learning Support Assistant to support your learning in class. We also offer a wide range of assistive technology such as reader pens, screen readers, large print keyboards and screens, alongside in-class resources such as coloured overlays, large-print resources and more.

09. Is help available with course fees?

Many of our courses are FREE to all learners. Your course may be FREE if you are unemployed or earn under £26,800 before deductions. If you are in receipt of state benefits or have a low income (£28,733.50 before deductions) you could be entitled to enrol on your course at a 70% reduced fee cost. Some exclusions apply, eligibility for fee reduction is subject to change, and you may be required to provide evidence of earnings. If the amount you must pay for your course is over £50, we offer instalment plans which break down the cost of learning into a set number of easy monthly payments. If you need help with the wider costs of study, such as childcare, resources, travel, and transport costs, you may be eligible to have these costs reimbursed through our Discretionary Learner Support Fund.
