01. Who is this course for?

This is a course for those who have already completed one of our Ballet for Wellbeing Fitness courses, or those who have prior experience of ballet. Taking part in ballet is good for your body as well as your mind. In a friendly, relaxed environment you will learn the foundations of ballet including the positions, alignment, lines and co-ordination. The classes will include barre work, centre work and travelling work. A group dance will often be learnt during the course.

02. What will I learn?

You will practice a variety of techniques including, barre work, centre work, travelling work and a group dance. This will enable you to increase stamina and cardio-vascular fitness, improve muscle tone and co-ordination, have a greater range of movement and flexibility and improve body confidence.

03. How will I learn?

This is a tutor-led, advanced dance class. You will be able to see your progress using the mirrors in the studio and you will feel it within yourself by how your body is adapting. Learners will also receive regular verbal and written feedback on their progress.

04. What will I need to bring?

Please wear comfortable, non-restrictive clothes, and either bare feet or ballet shoes. You will also need to bring a water bottle. You will need to have completed a Physical Activity Readiness Questionnaire (PARQ) before starting the course.

05. What skills or experience do I need?

Prior experience of ballet dance is required to join this course.

06. How will I be assessed?

The Learning for Wellbeing curriculum uses formative and summative assessment methods to evaluate learner progress. You will work towards completing a set of class learning targets, as well as your own personal development targets. Targets are reviewed at the middle and end of the course. Informal discussions with the

tutor will take place throughout the course, both individually and in groups. Your progress may also be documented through photographic/video evidence.

07. What could I do after this course?

Upon completing this course, you may wish to try one of our other dance classes, such as 'Introduction to Tap Dancing'. The Learning for Wellbeing curriculum offers a wide range of art, craft, sewing, cookery, dance and creative arts courses for you to continue developing skills specifically aimed at improving your wellbeing. Courses are available to search on the GoLearn website.

08. How will I be supported in my learning?

We aim to support all learners to succeed. Our tutors will work with all learners to meet individual needs by using a range of resources and teaching methods. When you enrol on your course you will be asked if you have any additional learning needs or disabilities which may affect your learning. This might include physical disabilities, neurodivergent needs (e.g., Autistic Spectrum Disorder, ADHD, dyslexia, or dyspraxia, etc.), visual and auditory impairments, or a medical condition which might affect your learning. Your tutor will contact you prior to joining the course to discuss what support can be put in place. For some learners, this may mean organising extra time in exams or arranging for a Learning Support Assistant to support your learning in class. We also offer a wide range of assistive technology such as reader pens, screen readers, large print keyboards and screens, alongside in-class resources such as coloured overlays, large-print resources and more.

09. Is help available with course fees?

Many of our courses are FREE to all learners. Your course may be FREE if you are unemployed or earn under £26,800 before deductions. If you are in receipt of state benefits or have a low income (£28,733.50 before deductions) you could be entitled to enrol on your course at a 70% reduced fee cost. Some exclusions apply, eligibility for fee reduction is subject to change, and you may be required to provide evidence of earnings. If the amount you must pay for your course is over £50, we offer instalment plans which break down the cost of learning into a set number of easy monthly payments. If you need help with the wider costs of study, such as childcare, resources, travel, and transport costs, you may be eligible to have these costs reimbursed through our Discretionary Learner Support Fund. Visit us online for more details, and to download the online application form.

10. How do I choose the right course for me?
