04. What will I need to bring?

We recommend you have writing materials like paper and a pen to help you take notes, if you are learning at one of our centres we can provide these. A short comfort break is included in each session so you may wish to bring a drink with you if your course is at one of our centres. If you are completing this course online you will need access to a PC or laptop, and have a reliable internet connection. You will also need to make sure that your device has a speaker, microphone and camera. You could also use a mobile phone or tablet but you may find that these are not ideal for seeing the course content on the shared screen and interacting with others. If you do not have access to a PC or laptop then please contact us as we may be able to help. All Leicestershire Libraries offer FREE public WiFi and spaces to study if you do not have an appropriate space at home.
