01. Who is this course for?

This course is for anyone who would like to learn how to design and create a scrapbook as a way of storing and preserving your precious mementos such as photographs, pamphlets, tickets, and notes.

02. What will I learn?

You will learn how to use paper crafting techniques, embellishments and annotations to start creating effective page layouts using your own mementos.

03. How will I learn?

This workshop combines tutor-led and independent activities. You will be supported through class demonstrations and 1:1 assistance as you create your scrapbook. Learners will receive regular verbal feedback on their progress.

04. What will I need to bring?

You will need to bring in any items, such as photos, cinema tickets, leaflets, notes etc and any embellishments that you wish to include in your scrapbook. If you have a blank scrapbook that you would like to use, please bring this with you. We will have blank scrapbooks available to use and take home if you do not have one. Decorative items will be provided, but feel free to bring any craft supplies that you would like to use. You should also bring a drink and a packed lunch (alternative, there are shops nearby if you would like to leave to purchase lunch off-site).

05. What skills or experience do I need?

No experience necessary. This course is suitable for complete beginners.

06. How will I be assessed?

The Learning for Wellbeing curriculum uses formative and summative assessment methods to evaluate learner progress. You will work towards completing a set of class learning targets, as well as your own personal development targets. Targets are reviewed at the middle and end of the course. Informal discussions with the tutor will take place throughout the course, both individually and in groups. Your progress may also be documented through photographic evidence.

07. What could I do after this course?

The Learning for Wellbeing curriculum offers a wide range of art, craft, cookery, dance and creative arts courses for you to continue developing skills specifically aimed at improving your wellbeing. Courses are available to search on the College website.

08. How will I be supported in my learning?

We aim to support all learners to succeed. Our tutors will work with all learners to meet individual needs by using a range of resources and teaching methods. When you enrol on your course you will be asked if you have any additional learning needs or disabilities which may affect your learning. This might include physical disabilities, neurodivergent needs (e.g., Autistic Spectrum Disorder, ADHD, dyslexia, or dyspraxia, etc.), visual and auditory impairments, or a medical condition which might affect your learning. Your tutor will contact you prior to joining the course to discuss what support can be put in place. For some learners, this may mean organising extra time in exams or arranging for a Learning Support Assistant to support your learning in class. We also offer a wide range of assistive technology such as reader pens, screen readers, large print keyboards and screens, alongside in-class resources such as coloured overlays, large-print resources and more.

09. Is help available with course fees?

Many of our courses are FREE to all learners. For fee-paying courses, if you are in receipt of state benefits or have a low income (£28,733.50 before deductions) you could be entitled to enrol on your course for FREE, or at a 70% reduced fee cost. If your course is accredited (working towards a formal qualification) your course may be FREE if you earn under £26,800 before deductions. Some exclusions apply, eligibility for fee reduction is subject to change, and you may be required to provide evidence of earnings. If the amount you must pay for your course is over £50, we offer instalment plans which break down the cost of learning into a set number of easy monthly payments. If you need help with the wider costs of study, such as childcare, resources, travel, and transport costs, you may be eligible to have these costs reimbursed through our Discretionary Learner Support Fund. Visit us online for more details, and to download the online application form.
