Maths - Unlocking - Managing Measures	03/12/2026	03/12/2026	WIGSTON MAGNA LIBRARY	0.00

01. Who is this course for?

This single session course will be suitable for anyone who wants to improve their confidence with measurement skills. It will cover selecting the appropriate measuring tool, reading scales on different instruments, estimating and comparing measures of length, weight and capacity in everyday contexts.

02. What will I learn?

You will learn about the structure, rules and vocabulary around measuring systems; the importance and use of measuring skills in everyday life; practice measuring and estimating of weights, lengths and capacities using different instruments. Being able to grasp these skills is essential for developing spatial awareness, estimating skills, logical reasoning and critical thinking. Measuring skills also help with connecting numerical concepts to everyday life experiences such as cooking, decorating, reading the time, among others and problem-solving.

03. How will I learn?

The course activities and materials will link to everyday life and work experiences. The session will be a combination of practical activities and group discussions. The session is 2.5 hours long and delivered in a classroom in adult learning centres around the county.

04. What will I need to bring?

Come ready to learn with a pen, pencil, paper or notepad everything else will be provided.

05. What skills or experience do I need?

05. What skills or experience do I need?

No previous maths or English qualification or experience is required to join this course, just bring an open mind and a positive attitude.

06. How will I be assessed?

There is no formal assessment or exam, at the end of the session you will review and reflect on your learning.

07. What could I do after this course?

You may want to progress further in your learning journey by enrolling on an Everyday Maths course or a Functional Skills Maths course to gain a qualification at Entry level or higher. Functional Skills maths qualifications are recognised by employers and some further education colleges and other academic institutions like universities consider Functional Skills Level 2 equivalent to GCSEs. A Functional Skills qualification at Level 1 is equivalent to a GCSE Grade 3/D Foundation and a Level 2 is equivalent to a Grade 4/C Foundation.

08. How will I be supported in my learning?

We aim to support all learners to succeed. Our tutors will work with all learners to meet individual needs by using a range of resources and teaching methods. When you enrol on your course you will be asked if you have any additional learning needs or disabilities which may affect your learning. This might include physical disabilities, neurodivergent needs (e.g., Autistic Spectrum Disorder, ADHD, dyslexia, or dyspraxia, etc.), visual and auditory impairments, or a medical condition which might affect your learning. Your tutor may contact you prior to joining the course to discuss what support can be put in place.

09. Is help available with course fees?

Many of our courses are FREE to all learners. For fee-paying courses, if you are in receipt of state benefits or have a low income (£28,733.50 before deductions) you could be entitled to enrol on your course for FREE, or at a 70% reduced fee cost. If your course is accredited (working towards a formal qualification) your course may be FREE if you earn under £26,800 before deductions. Some exclusions apply, eligibility for fee reduction is subject to change, and you may be required to provide evidence of earnings. If the amount you must pay for your course is over £50, we offer instalment plans which break down the cost of learning into a set number of easy monthly payments. If you need help with the wider costs of study, such as childcare, resources, travel, and transport costs, you may be eligible to have these costs reimbursed through our Discretionary Learner Support Fund. Visit us online for more details, and to download the online application form.

10. How do I choose the right course for me?

If you are unsure of your next steps, please contact us and one of our team will advise you about our courses or signpost you to other providers if necessary. Please call FREEphone 0800 988 0308 or email adult.learning@leics.gov.uk
